

Sonia's Tiny Tots Newsletter

September /October 2018

Professional Development Day

As part of an ongoing effort to improve ourselves, Enable Inc. offers us a Professional Development Day where we can add new features to the daycare or repair dysfunctional entities. PPD was August 31st and we will be adding a mobile computer station with two Apple Mac computers for the older children to use. The computer programs will include ABC Mouse and other educational and development games and activities.

Just for Fun Answers

1. A monkey on Dora the Explorer
2. Ribbons use in gymnastics
3. Mickey Mouse Club House
4. Solve academics puzzles
5. Five

Backpacks

A small backpack is required to carry home papers and projects. They will need to be hung on the coat racks and must not be heavy. When the kids begin wearing coats they will be stored in the cubbies.

Who's New!

Please welcome
our new child(ren) for
the month of
September/October:

Infant care: Joseph Alexander
Toddlers:
Afterschool Care: Nasir James
Fall Semester.

The First Day of Autumn is
September 23rd.

"Autumn is a second spring
when every leaf is a flower"
~ Albert Camus

September lesson Plans

Letters: d, e, f, g, h, I, j, k
 Numbers: 4, 5, 6, 7, 8, 9, 10, 11
 Shapes: Review All
 Colors: Review All
 Nursery Rhyme:
 Mathematical Concepts
 Computer Learning
 FALL

As the fall semester begins we turn our attention to academics, working with the children on routines and schedules. We will explore our letters, numbers, etc. and fall concepts and activities for this month. We will also be focusing on changes. Changes in nature where the leaves begin to change and fall from the trees. Changes in weather when the days begin to get colder. Changes in the season as the day get shorter and the nights longer.

Sign-in and Sign-out

Parents please remember to sign-in and sign-out your child daily - it is imperative.

Due to licensing regulations it is absolutely necessary to keep accurate records. Sonia's Tiny Tots have implemented a computerized sign-in, sign-out system called KIDDO, so please use it when bringing and taking your child. Also be sure that other people picking up and dropping off are also signing your child in and out. Thank you. Children picked up and dropped off by bus will be recorded on the bus pickup/drop-off sheet.

Online Family Resource Area

Don't forget to visit the website www.soniastinytots.com to view pictures of your children in the Gallery area. Coming soon STT will adding a Parent Resource Area to the website. In this section you will find great resources such as parenting articles and downloadable forms. Once completed the pictures will be moved to this section and will be downloadable to a slide show. Each parent will be given login credentials. Keep an eye out for this upgrade to the website.

Our FALL Tree

We are happy to announce that we will be reintroducing the ever changing tree. As it is the Fall Season we will be calling it the Fall Tree and will be decorating it with brown and yellow leaves. Also there will be leaves in various states of falling to the ground.

Early Cold Season

We have been fortunate not to have any cold symptoms in our group within the past couple of weeks and to maintain this excellent trend we would like to take the opportunity to talk to the kids about catching their coughs and sneezes in their elbows or into the tops of their shirts. As cold and flu season is approaching we will also be providing and using hand sanitizer with the kids and lots of hand washing to help minimize the spread of germs

Farewell

It is a heavy heart that we say Farewell to Jaheim and Jermaine Hudson. Both of them will be heading to the Head start Program at the end of September. We wish Jaheim and Jermaine all the best in their future endeavors.

Thank you to all who participated volunteered or just helped during the summer activities, including the graduation, to make them a huge success.

The children completely enjoyed themselves in all the activities. Now we look forward to engaging the mind with some fun academic activities for the fall.

Fruity Frog

Ingredients:

- Green apple (Granny Smith)
- Cream cheese
- Chocolate chips
- Green grapes

Instructions:

1. Cut the apple into quarters and remove the core. Cut a thin wedge from one quarter for a mouth. For the eyes, shape cream cheese into two half-inch balls, and set them in place. Insert a chocolate chip, point-side in, into each cream cheese ball.
2. Use the grapes, cut in half, for the legs and feet. Slice four halves to create toes. Arrange the pieces as shown and serve on a paper lily pad.

This apple-phibious treat is so charming the kids may not even notice that's its good for them.

Just for Fun!

- 1) Who is Boots?
- 2) What are twirlers?
- 3) What show features Mickey?
- 4) What does Super Why do?
- 5) How many twos add to 10?

MOVIE pick of the Month

By: Bernadette

Migo is a friendly Yeti whose world gets turned upside down when he discovers something that he didn't know existed -- a human. He soon faces banishment from his snowy home when the rest of the villagers refuse to believe his fantastic tale. Hoping to prove them wrong, Migo embarks on an epic journey to find the mysterious creature that can put him back in good graces with his simple community.
